Hotel and Leisure

Shindi Island Camp - Ker & Downey Safaris

New public facilities. These were elevated into the existing tress canopy to achieve views , the feeling of a tree house and preserve the existing undergrowth and ground cover. Accomodation tents remained positioned on the edge of the savanna plain.

Stairs up to first level

Furnished Lounge area at tree canopy level

Stairs to upper levels - under construction

Furnished intermediate level deck

View of ramped alternative to stairs

Vaulted tent intersecting with existing trees.

Existing trees within tented space
